

Dr. SAEID SAFARI

(Board-certified Anesthesiologist, Vice President for research & Journal Editor-in-Chief)

✉ drsafari.s@gmail.com, www.linkedin.com/in/drsauidsafari, +61 (2) 8091 5291

ORCID: 0000-0002-5917-633X; Scopus Author ID: 57191428646, H-index: 21,

Researcher & Publons ID: C-6154-2008

CAREER SUMMARY

Board-certified Anesthesiologist, HMBA, Vice president for research, Doctor of Medicine, Editor-in-Chief, Associate editor & Editorial manager for several journals (H-index: 21)

EDUCATION

- **HMBA** (Health MBA), SBMU^[1] (2020)
- **Board-certified in Anesthesiology, Pain Medicine & Critical Care**, IUMS^[2] (2010-14)
- I have successfully completed Health Management, Health Policy & Planning, Health Economics, Health Informatics and Sustainable Development & Planning in a mission-based **PhD program**^[3] designed for gifted & talented students to train them as **Public Health System Managers**, SBMU^[1] (2005-07).
- **Doctor of Medicine** (M.D.), TUMS^[4] (Sep 2000- Sep 2007) & level-up to graduate certificate in **Science & Technology Development** program, a mission-based program for talented Students (Jan 2007-Sep 2007)

HONOURS & AWARDS

- Grant for researcher with the highest number of published articles, IUMS (Dec 2014)
- Silver medal, second best presenter at ISRAPM (Sep 2014)
- Editor of the month in Gaudeamus (Jun 2014)
- Award for the best poster in SIMPAR, Complesso Monumentale S. Spirito in Sassia, Rome, Italy (28-29 Mar 2014)
- Ranking 2nd among young medical researchers in the specialised committee of surgical clinical sciences in the 18th Razi Medical Sciences Research Festival (Mar 2013)
- Gifted & talented medical student at TUMS (Mar 2005)

PUBLISHED JOURNAL PAPERS

So far, I have published 90+ articles (H-INDEX: 21) as per Appendix A.

CLINICAL WORK EXPERIENCE

- **Vice president for research**, Functional Neurosurgery Research Centre, Shohada-e-Tajrish University Hospital, SBMU^[1] (Jun 2020-Present)
- **Anesthesiologist**, Department of Ambulatory Anesthesia (Scopy, ECT, Radiology, Preoperative consultation), Rasoul Akram Medical Centre, IUMS^[2] (Sep 2017-Mar 2020)
- **Anesthesiologist**, Operating theatre for general surgeries & ICU, Nikan Hospital (Jul 2017-Feb 2019)
- **Anesthesiologist**, Operating theatre for general surgeries and the department of ambulatory anesthesia, Erfan Niayesh Hospital (Feb 2017-present)
- **Anesthesiologist**, Pediatric Intensive Care (PICU), Mofid Pediatric University Hospital, SBMU (Dec 2016-Jun 2017)
- **Anesthesiologist**, ICU Dept, Hasheminejad Kidney Centre, Iran University of Medical Sciences (Feb-Oct 2017)
- **Intensivist**, Laleh Hospital (Sep 2016-present)
- **Anesthesiologist** & Operating theatre manager, Emam Reza Hospital (Jan 2015-Sep 2017)

RESEARCH & JOURNAL EDITING WORK EXPERIENCE

Founder	Interventional Pain Medicine and Neuromodulation	Dec 2020-present
Founder	Journal of Precision Medicine and Clinical OMICS	Dec 2020-present
Co-editor in Chief	International Clinical Neuroscience Journal	Sep 2020-present
Vice president for research	Functional Neurosurgery Research Centre, Shohada-e-Tajrish University Hospital, Shahid Beheshti University of Medical Sciences (SBMU), Tehran, Iran	Jun 2020-Present
Co-Founder	"P-Nashr" Co., a startup in medical education, broadcasting and research, educational videos, E-books & audiobooks provider and digital publication	Mar 2020-present
Editor in chief, Associate editor & Managing editor	Annals of Anesthesiology & Critical Care	Aug 2016-present
Senior managing director of communications	Iranian Society of Anesthesiology & Critical Care (IrAnesthesia)	Mar 2016-present
Member of the editorial board	EC Anaesthesia Journal	Oct 2015-present
Associate editor	International Journal of Anesthesiology & Pain Medicine	Aug 2015-present
Committee member	Pain Research Centre	Jul 2015- present
Editorial Manager	Archives of Cardiovascular Imaging	2015-17
Member of editorial board	Basic & Clinical Neuroscience Journal	Feb 2014-present
Member of editorial board	Journal of Anesthesia, Pain and Intensive Care Journal	2014-present
Associate editor & Editorial manager	Anesthesiology & Pain Medicine	Jan 2011-present
Managing editor & Academy member	Kowsar medical publishing company	Jan 2011-present
Member of editorial board	Journal of Comprehensive Pediatrics	2011-present
Editorial manager	Journal of Comprehensive Pediatrics	2011-15
Manager	Iran Hepatitis Network, Baqiyatallah Research Centre for Gastroenterology & Liver Diseases	Jan 2008-Apr 2009
Managing editor & Consultant	Journal of Hepatitis Monthly, indexed in Science Citation Index Expanded (SCIE), Web of Science, Thomson Reuters (ISI)	Jan 2007-2018

EXECUTIVE WORK EXPERIENCE

- **Project Manager** for a national project titled "Health Technology Assessment (HTA): new inhalational Anesthetic agents" (Jan 2008- April 2009)
- **Executive secretary**, First International Tehran Hepatitis Congress (THC1), (Feb 2009)
- **Manager**, Drug & Medical Supplies Dept, Vice- Chancellor's Office in Treatment Affairs, Ministry of Health (Sep 2007- Aug 2008)
- **Management board member**, Upgrading IT-based workflows and automation at Vice- Chancellor's Office in Treatment Affairs, Ministry of Health (Sep-March 2007)
- **Founder & Manager**, Hepatitis Research Group (HEPRG) at Tehran Hepatitis Centre (Jan 2008-Apr 2009)
- **Project Manager & Designer** of the innovative website of BRCGL.ir to manage proposals and other member activities and to lead the researchers virtually (Jan 2008-Apr 2009)
- **Founder**, Iranian Anesthesiology Network (Jan 2015- 2018)

PUBLISHED BOOK

Translation of 'The Military Advanced Regional Anesthesia and Analgesia' (MARAA) Handbook (2009)

CONFERENCE PRESENTATIONS

- Esmaeili, S., Mahboobi, N., and Safari., S. (2009). *Evidence-based public health: is Halothane ready to be distracted?* Presented at the International Medical Students' Research Congress (IMSRC), Istanbul, Turkey.
- Kajbafzadeh, A. M. e. a. (2007). *Comparing effects of botulinum toxin A injection in detrusor & detrusor and external urethral sphincter on residual volume in patients with neurogenic bladder secondary to myelomeningocele*. Presented at the First Iranian Pediatric Urology Congress, Tehran University of Medical Sciences, Tehran, Iran.
- Safari, S. (2008). *Hepatitis A virus in Middle East countries, A review study*. in *Viral Hepatitis in Hemodialysis and Kidney transplantation's patients*, SBMU, Tehran, Iran.
- Safari, S. (2009). *New Modularity of using IT to control Hepatitis*. Paper presented at Hepatitis B & C, Diagnosis and Treatment, Razi International Hall, Tehran, Iran
- Safari, S., and Alavian, S. M. (2009). *New modularity in using IT to control viral Hepatitis in Iran*. Presented at the Viral Hepatitis 2009, Zanzan Blood Transfusion Institute, Zanzan, Iran.

RESEARCH INTERESTS

Neuroscience, Neuro-anesthesiology, Neurocritical Care & Neuro Monitoring, Pain management, Interventional pain practice, Regional Anesthesia, Health Technology Assessment, Systematic Review & Meta-analysis, Virtual community, IT-based management systems

LANGUAGES

English (fluent), Azerbaijani (native), Persian (Farsi) (native) & Turkish (near-native)

TEACHING EXPERIENCE

I have been the lecturer of the following workshops in 2006 & 2008:

Innovation systems; Sustainable development; Knowledge-based economy; Knowledge-based society; Health Policy; Evidence-based medicine; Research methodology in medical sciences; Scientific writing; EndNote, Managing medical database; Search strategy in medical databases; Adobe Acrobat Pro in medical literature reviews; Microsoft Office for physicians and researchers; CV writing databases; Microsoft SharePoint & Outlook

REFERENCES

Available upon request.

RESUME LEGEND
